

Appendix B

Road Safety Review Photo Log

Prepared by: TranSystems

Field Visit Date: April 9, 2019

Haligus Rd & Ackman Rd, SE Corner
Critical foreslope and unfavorable ditch section

Lakewood Rd & Ackman Rd, SE Corner
Utility pole guy wire in clear zone

Ronan Ct & Ackman Rd
No crosswalk pavement markings, worn ADA tiles (TYP)

Ackman Rd, between Albrecht Rd & Redtail Dr
Critical/Non-Recoverable foreslope potentially extends clear zone to hazards (utility poles, trees)

Ackman Rd, between Albrecht Rd & Redtail Dr
Damaged EOP

Ackman Rd, between Albrecht Rd & Redtail Dr
Non-traversable culvert end section with steep grades and eroded ground

Ackman Rd, between Albrecht Rd & Redtail Dr
Non-traversable culvert end section with steep grades and eroded ground

Redtail Dr & Ackman Rd
Edge of pavement damaged at corner radii

Redtail Dr & Ackman Rd
Edge of pavement damaged at corner radii

Redtail Dr & Ackman Rd
Edge of pavement damaged

Ackman Rd, between Redtail Dr & Swanson Rd
Guardrail limits do not cover length of need for culvert and foreslope hazards.

Ackman Rd, between Redtail Dr & Swanson Rd
Terminals do not meet current standards.

Ackman Rd, between Redtail Dr & Swanson Rd
Non-recoverable, unprotected foreslope on approach to culvert hazard

Ackman Rd, between Redtail Dr & Swanson Rd
Non-recoverable, unprotected foreslope adjacent to culvert hazard

Ackman Rd, between Swanson Rd & Huntley Rd (and other locations)
Undersized grate on culvert end section

Huntley Rd & Ackman Rd
Edge of pavement damaged at corner radii

Huntley Rd & Ackman Rd
Edge of pavement damaged at corner radii

Huntley Rd & Ackman Rd
Off-road tire marks observed, starting at approximately 30 ft east of the intersection of Huntley Rd & Ackman Rd . Possibly from loss of control during a southbound left-turn maneuver.

Ackman Rd, between Huntley Rd & Amberwood Rd
Non-traversable culvert end section in clear zone

Amberwood Rd & Ackman Rd
Edge of pavement damaged at corner radii

Ackman Rd, between Huntley Rd & Amberwood Rd

Steep foreslope and abrupt grading around drainage structure not flush with adjacent ground

Golf Course Rd & Ackman Rd

Intersection pavement in poor condition (pot holes, depressions and pavement cracking)

Golf Course Rd & Ackman Rd

Intersection pavement in poor condition (pot holes, depressions and pavement cracking)

Golf Course Rd & Ackman Rd

Edge of pavement damaged at corner radii and Intersection pavement in poor condition (pot holes, depressions and pavement cracking)

Golf Course Rd & Ackman Rd

Edge of pavement damaged at corner radii and Intersection pavement in poor condition (pot holes, depressions and pavement cracking)

Golf Course Rd & Ackman Rd

Excessive glare and poor signal visibility during sunrise and sunset

Golf Course Rd & Ackman Rd
Non-functional push button in SW corner

Golf Course Rd & Ackman Rd
ADA ramp tiles located within pavement limits in NW corner

Golf Course Rd & Ackman Rd
Non-traversable culvert end section in clear zone

Golf Course Rd & Ackman Rd
Utility pole and non-traversable culvert end section potentially within clear zone

Ackman Rd, between Golf Course Rd & Westport Ridge
Utility pole and non-traversable culvert end section potentially within clear zone

Ackman Rd, between Golf Course Rd & Westport Ridge
Bike Connectivity: Multiuse path terminates to sidewalk on midblock, short of bike lanes on Golf Course Rd

Ackman Rd, between Golf Course Rd & Westport Ridge
Overgrown vegetation encroaches on sidewalk, ADA compliant width not available

Ackman Rd, between Golf Course Rd & Westport Ridge
Non-traversable culvert end section in clear zone (remove obsolete driveway)

Ackman Rd, between Golf Course Rd & Westport Ridge
Non-traversable culvert end section in clear zone (remove obsolete driveway)

Westport Ridge & Ackman Rd
Excessive glare observed during sunrise and sunset hours at mid-block crossing equipped with rectangular rapid-flashing beacon, limiting the visibility of the signs and flashing beacons.

Ackman Rd, between Westport Ridge & Crimson Dr
Non-recoverable foreslope adjacent to multi-use path

Ackman Rd, between Westport Ridge & Crimson Dr
Non-traversable drainage structure in clear zone

Ackman Rd, between Westport Ridge & Crimson Dr
Non-traversable culvert end section in clear zone

Crimson Dr & Ackman Rd
Non-breakaway light pole in clear zone

Crimson Dr & Ackman Rd
Broken curb at NW corner radius

Ackman Rd, between Skyridge Dr and Randall Rd
Remove incorrect application of lane drop (W4-2) sign

General Notes: Edge of pavement on Ackman Rd Damaged or broken at various segments adjacent to gravel shoulders

General Notes: Various non-traversable drainage structures with eroded ground

General Notes: Various non-traversable drainage structures with undersized or missing grates within clear zone

General Notes: Various non-traversable culvert end sections not flush with adjacent ground
