**Bid 21-01  
Ancillary Items for Valley Hi Nursing Home**

**Additions and Clarifications**

**Question 1:** Do you have a current reference number or brand for the below items?

**Wheel 22" Urethane with Black Andozied Handrim for Sx5RC  
Replacement Attendant Pad - Bed 10" x 30" - Straight Cord  
Replacement USB Safe Trelease Cord for Smart Pads  
Plastic Security Clips fr 1/4 Call Cords – case  
Replacement Attendant Pad – Chair Pad 7" x 15"**

**Response 1:** These are the items most recently purchased and we are not married to the brands. Attendant pads (one for the wheelchair and one for the bed) are alarmed pads that sound when a resident at risk of fall is no longer on the pad. The cord and the case would be for whatever brand of pad is quoted. Currently, Direct Supply brand is used because that is who we have purchased through. The wheelchairs purchased most are Panacea. Again, we are not necessarily married to the brand of the wheelchair, but these would be replacement parts for the wheelchairs we have.
