GIS Consulting Services
ADDENDUM 3

Submissions will be accepted until *August 31, 2022 no later than 9:00 A.M. (CST)*

Additions and Clarifications

Question 10: Has a budget been determined for each year?

Response 10: Budget has not been determined.

Question 11: I have been requested to get confirmation that the percentage of potential on-site work is five percent per the Q&A.

Response 11: This is just anticipated estimate and it can change if needed.

Question 12: How many existing custom web applications do you currently maintain? (custom meaning: not built within AGO, developed outside of AGO)

Response 12: Eight

Question 13: How many daily/weekly/monthly users do you have for your existing services?

Response 13: It depends on the service.

Question 14: Do you run your GIS services from your own hardware or on the cloud?

Response 14: Currently we have our own hardware.

Question 15: Do you have a "GIS strategy" [or something like that] in place? Do you need one? Can we start with one?

Response 15: We have organizational goals we set to accomplish each year with selected vendor.

Question 16: Are there existing GIS staff we would be supporting?

Response 16: Yes.

Question 17: Who do we answer to, or who is our manager? Is there an IT department we would work with?

Response 17: Selected vendor is managed by Director of GIS and staff from McHenry County GIS Department.
