### Proposition To Impose A One-Quarter (1/4) Percent Special Retailers' Occupation Tax For Mental Health Purposes

To pay for mental health purposes, shall McHenry County be authorized to impose an increase on its share of local sales taxes by one-quarter (1/4) percent and discontinue the current property tax levy funding mental health services and the Mental Health Board?

YES  
NO

This would mean that a consumer would pay an additional 25 cents in sales tax for every \$100 of tangible personal property bought at retail. This sales tax would take effect on July 1, 2024. This would remove the \$10,975,000 from the property tax levy allocated for the Mental Health Board effective November 30, 2024.
