

Fiscal Year 2012/2013 Budget Highlights and Goals

County Clerk

FY2012 Highlights

- County Board Records through 1969 are now available on the County Clerk's website under County Board Record Lookup.
- Completed the imaging of all marriage records for the County of McHenry.
- Implemented the imaging of all Death Records filed in McHenry County.
- In concert with the County Auditor's office began imaging and indexing all copies of invoices paid to vendors by the County of McHenry.

FY2013 Goals

- Maintain and keep current with the imaging of all County Board Records in order to make them available for viewing by the public.
- Produce a revised County Yearbook after the 2013 Consolidated Election.
- Study the workflow process within the department to ensure work processes are efficient and effective and meet the needs of citizens while controlling costs.
