

**Fiscal Year 2008/2009 Budget
Highlights and Goals**

Supervisor of Assessments

FY2008 Highlights

- Completed first full year with Devnet software and perfected related processes and procedures
- Completed final stage and testing of document management/integrated workflow system for complaints
- Completed 2007 quadrennial revaluation of mineral properties
- Overcame difficulties associated with fire and water damage from May 16 event
- Reassigned employees to give new hires benefit of co-workers experience and knowledge, and achieve more balance in work load
- Added four new exemptions that were part of PA95-644
- Assumed responsibility for Fallen Officer Abatement program for County

FY2009 Goals

- Achieve one year of relative stability of all work processes
- County employees spend time with township assessors to better understand total process
- Timely process of 2008 assessment complaints with expected large increase in numbers
- Redesign assessment notice using aspects of SB2820, should it or a similar bill resurface
