

ACKMAN ROAD FEASIBILITY STUDY

RANDALL ROAD TO HALIGUS ROAD

Public Open House | May 30, 2019

PURPOSE OF THE MEETING :

- ▶ Initiate Ackman Road Study
- ▶ Describe Planning Process
- ▶ Review Existing Conditions
- ▶ Gather Input and Information

The McHenry County Division of Transportation (MCDOT) welcomes you to this first Public Open House for the Ackman Road Feasibility Study. The Study goals are to identify operational and safety needs along the corridor, develop preliminary improvement alternatives to address these needs, and then identify grant programs to provide funding for the projects.

MCDOT is incorporating an innovative and sustainable study approach and is committed to a clear and inclusive process.
